ANIMAL CARE OF THE YEAR: Veterinarians Honored The World's Best Veterinary Hospital and Animal Care Foundation made the animal-care teams and staff who provided amazing services to pets in our community this year official recipients of the ANIMAL CARE OF THE YEAR award. AWARD WINNERS AND COMPLETE LIST OF AWARD FINALISTS The World's Best Veterinary Hospital and Animal Care Foundation made the animal-care teams and staff who provided amazing services to pets in our community this year official recipients of the ANIMAL CARE OF THE YEAR award. AWARD WINNERS AND COMPLETE LIST OF AWARD FINALISTS Animals are the reason people become pet owners, for many, their beloved companions are and will always be an essential part of life. Over the past year, our Animal Care team has been there for those pets. Here's a look at the year's winners and finalists. A partnership with Minnetonka High School, creating the opportunity for the high school's students and teachers to learn and do their part in the animal rescue community. Our volunteers are our most dedicated and tireless advocates for animals. This year, 15 dog foster families were committed to shelter animals and received a \$25 donation, \$50 care packages, \$1,000 to cover vet costs and doggy birthday gifts, and a "Thank You" from the shelter volunteers. Opening our second emergency room to allow the city's police and fire departments access to a medical facility that could be used as a standalone emergency room and for first responders to save lives during storms and other disasters. The kind of animal services that increase and preserve animal welfare and happiness. On our service day, we care for five animals at multiple rescues. What makes the day so remarkable is that these five animals would not be without us. Also, we treated and helped five rescues. Making our annual gift to the Midwest Park District, enabling and inspiring thousands of children to spend more
